Help Exxcel give back to our community

Our clients and community have supported us for the past thirteen years, this holiday season we are giving back in a BIG way!

This Holiday Season we are supporting a local charity...

“The East End House”

The East End House is a dynamic community center in Cambridge. Programming supports the whole family with comprehensive services like the Food Pantry, Community Workshops, Parent Education and Senior Programming.

Thank you to everyone who has given gifts this holiday season!

The East End house is also looking for volunteers to help sort gifts on Dec 15th and 16th

World Champion. Aly Raisman, Visits Exxcel!

Former Exxcel gymnast and Needham resident, Alexandra Raisman visited Exxcel in November. Aly had just returned from Tokyo, Japan where she competed in the 2011 World Championships! The United States won the Gold Medal in the team competition. Aly also received a bronze medal on the balance beam. Our team gymnasts were excited to meet her and ask her questions!

Aly was at Exxcel from Pre Team– level 8. Coach Alex Toumilovich was one of Aly's coaches at Exxcel. Alex and Aly shared their World Championship medals with the other gymnasts! We are very proud of all that she has accomplished over the years.

Make sure you watch team USA in the 2012 London Olympics in August!

Who is that Gymnast?

A lot of our teaching staff is comprised of former students. They know it from both sides. They believe in our philosophy because they have lived it. It has affected their lives and now they are committed to passing on the magic to new generations!

Coaches Laura Fields, Perry Treon, Melissa McManus, and Dina McNaughton are former gymnasts of Tatiana and Gary. The bulletin board outside the office will have their pictures in January. Guess who is who for a chance to win a gift certificate!
